

GEORGIANA & KITTY: CHRISTMAS AT PEMBERLEY

Emma Jo Boyden as
Jane Bingley

"The treat of the production is appreciating the amazing talent and complementary interpretations of the actors to each other and to their roles. What an ensemble! If for no other reason, watching them is recommendation for the experience."

EVANSTON ROUND TABLE - CISSY LACKS

"The audience was cooing with the delight that comes from enjoying familiar characters in new stories."

CHICAGO TRIBUNE - CHRIS JONES

"The other Bennet sisters are all played with plenty of love, grace and good humor... Remembered for her almost slapstick performance in the Court Theater's recent production of "Arsenic and Old Lace," Emma Jo Boyden is beautiful and decorous as Jane Bingley. As the matron of the family, and currently expecting a child, she wisely offers sisterly advice and good will to one and all."

CHICAGO THEATRE REVIEW - COLIN DOUGLAS

"The entire cast is full of both newcomers to the Northlight stage and mature actors who do a great job in all the supporting roles keeping the pace and humor of the piece moving along nicely."

BUZZNEWS - KIMBERLY KATZ

"Marti Lyons's production...is impeccable. That makes Christmas at Pemberley a sort of dramaturgical layer cake—a delicious one."
